ALLERGEN INFORMATION

Please be advised that all our food is prepared in an environment where allergens are present. We will take every reasonable precaution when preparing your food, but there is the risk of potential cross-contamination of allergens. The allergen information identifies the known prescribed allergens within our dishes including if a dish 'may contain' an allergen. Please let us know if you have any allergies or intolerances including those additional to the core 14. The term 'May Contain' is used to highlight where an allergen is not in a recipe or intentionally in a dish, but where the manufacturer of an ingredient believes that. Cross-contamination may still be at risk. Adults need around 2000 kcal a day.
